

FEEDBACK MEETINGS

*Help shape development
in Peasmarsh over the
next 20 years-
- come and hear the
survey results!*

175 of us completed the Neighbourhood Development Plan survey in July – about 15% of the stakeholders – and the responses are now being analysed.

There will be two chances to hear the results of the survey and have your say at the end of September : a Friday evening and a Saturday afternoon so please plan to come along to one or the other.

Parish General Meetings :

Peasmarsh Memorial Hall :

*Please get involved and HELP CREATE the
