

BUSINESS SURVEY

*Help shape development
in Peasmarsh over the
next 20 years-*

It is important that your views as a Peasmarsh business owner are considered in the creation of the Neighbourhood Development Plan.

We have created a survey specifically for businesses. It tries to establish a few generic facts about your business and then seeks to find out how the parish can help you with your business in the longer term.

The survey is only available online :

The survey should take about 5 minutes to complete and is anonymous unless you choose to give us your details.

*Please get involved and HELP CREATE the
Peasmarsh Neighbourhood Development Plan*
